Sir:

PETITION UNDER 37 C.F.R. § 1.47

I am the attorney of record in connection with the above-identified application. I have made several unsuccessful attempts to communicate with inventor Norman Cholewinsky at what I believe to be his telephone number based upon a telephone directory service inquiry made to Eugene, Oregon, Mr. Cholewinsky's last known city of residence. That telephone number is (541) 747-0089. Since the filing on August 7, 1998 of U.S. Provisional Patent Application Serial No. 60/095,727 (the priority application to the above-identified patent application), Mr. Cholewinsky left his employment at applicant Rosen Products LLC (formerly Advanced Multimedia Products Corporation dba Rosen Products Development, Inc.). As a condition of his employment at Rosen, and pursuant to a written employment contract (attached as Exhibit A), Mr. Cholewinsky was under an employment contract that required him to assign to Rosen any and all rights in the present invention and any other invention he made while at Rosen. I have left voice mail messages at Mr. Cholewinsky's telephone number identifying myself as patent attorney for Rosen and requesting
